

Birthday Party

AMAC's **birthday package** includes two hours of action-packed fun. The first hour includes a one hour presentation that consists of a martial arts demonstration, Tae Kwon Do trial lesson and specially designed martial arts games. No martial arts experience is required. Techniques will be basic and age appropriate. The second hour is reserved for the samurai cake cutting ceremony, drinks, gift opening and clean up. Staff will assist the birthday child in cutting the cake using a samurai sword. Parties are best for ages 5-12. **Fun-filled for kids. Stress-free for parents!**
